Autumn in New England

Depart Tuesday, October 8, 2019 11 days and 10 nights
Return Friday, October 18, 2019 **Still working on Details and Pricing**

Journey to New England, the birthplace of our country! Feel history come alive in Boston, Lexington, and Concord where the American Revolution began. Hear how Colonial patriots risked their lives to insure independence that later would guarantee rights granted in the U.S Constitution and Bill of Rights. Stroll the decks of the USS Constitution and see her in all her glory, walk on the "Freedom Trail," or visit the numerous historical sights in this dynamic city.

See the splendors of the colorful Berkshires, the Green Mountains and snowcapped White Mountains. We'll even take the Cog Railway up to the top of Mount Washington in NH! Travel back in time while visiting the many museums, galleries and staying in a variety of hotels including a 19th century inn. Enjoy a dinner cruise on Lake Champlain.

This year I am adding Mount Desert Island with the world renowned seashore community of Bar Harbor with its "Down East" ambiance. We will have two nights here to explore Acadia National Park the first national park east of the Mississippi River with its rugged landscape of ocean shoreline, low-slung granite mountains, dense woodland, and pristine lakes. The park as 47,000 acres and is home to the tallest mountain on the eastern seaboard, Mt. Cadillac. And yes, before leaving Maine we will have our Maine Lobster!

I am sorry we will not be going to Nova Scotia or to Prince Edward Island. These are both time and cost prohibitive. We will have a lovely time visiting parts of Maine that are new to this trip so join us for a truly spectacular tour where the magic and splendor of Autumn surrounds us with the aromas of the sea!

Since I am still putting all the details of this lengthy tour together, I anticipate having it ready in April. If you have already put your name on the "Brochure List" you will certainly get one. If you are not sure you are on the "Brochure List" please call my office and leave your name, phone number and address. As soon as the brochure is ready you will receive it.
